

Big Watch Host Application

Page 1 - Host & Partner Information

- * 1. The Big Watch is a statewide series of community-driven programs that bring Granite Staters together to watch, discuss, and reflect on the 250th anniversary of the Declaration of Independence and American Revolution. NHH is seeking applications from NH organizations to host a series of 2 programs that will take place during the spring and summer of 2026.

Watch: Each organization will host a watch party of a themed excerpt of Ken Burns' new film, *The American Revolution*, provided by NHPBS.

Discuss: Immediately after the watch party, skilled facilitators, provided by NHH, will moderate civil discussions among viewers about the film and "remembering together."

Reflect: Each organization must plan an additional, complementary community program that connects to the 250th anniversary of the Declaration of Independence and the American Revolution. Programming should explore the 250th anniversary in a way that makes sense for that unique community. Each organization will receive a \$300 stipend to support programming costs as well as programmatic resources and support from NHH, and the opportunity to work with NHH-provided facilitators.
