All forms are available on the Major Grants page on our website.

### PUBLICISE YOUR PROGRAM

- **Complete a Public Events Listing Form.** Provide NHH with information about your events and speakers as soon as they are confirmed. We will use this information to promote your program on our website, social media accounts, and print publications. Similarly, notify NHH as soon as possible if any event dates, times, places, or personnel change.
- **Review our Publicity Tip Sheet** for ideas on publicizing your program to the public.
- **Acknowledge NHH Sponsorship.**
  - ❖ The following acknowledgment of New Hampshire Humanities support must be fully visible and/or audible on all materials publicizing or resulting from award activities: **“This project was made possible with support from New Hampshire Humanities, in partnership with the National Endowment for the Humanities.   - ❖ Include our logo on all publicity and materials for your project.

- **Notify NH's federal congressional delegation.** Inform the delegation in writing that your program received a grant from New Hampshire Humanities, which is supported in part by federal funds awarded through the National Endowment for the Humanities. A sample letter and contact information for NH's U.S. senators and representatives is included in the Publicity Tip Sheet. Save copies of your correspondence for your final report.

## REPORTING AND RECORD-KEEPING

All NHH Major grant recipients are required to submit an interim and final report. The interim report and when applicable, a revised budget, are due mid-way through the project. A final report and final budget are due within 90 days following the end of the grant period.

Throughout the grant period, collect and organize the following materials, which you will be required to submit to NHH as part of reporting obligations. Subsequent payment requests will not be processed until the submitted report has been approved.

- **Throughout your period of performance, keep records of:**
  - ❖ **Changes to the Budget:** any changes to the approved budget must be submitted to NHH for review and acceptance. Keep track of both budget changes and records indicating NHH's approval.
  - ❖ **Project Donation Records:** As a recipient of federal funds, you are obligated to maintain accurate financial records. All third-party contributions – cash or -in-kind – must be verifiable to count towards the matching funds requirement.
    - Any person or organization who contributes a cash or in-kind donation should complete a project donation form. The recorded value of an in-kind donation must be based on the fair market value—the rate that would otherwise be paid for the donated good or service.
    - Any contributions made via an electronic transaction such as PayPal or Venmo must be properly documented. You may provide a receipt or proof of transaction that shows the donor's name, the amount donated, and is certified by the recipient.
  - ❖ **Event Attendance and Audience Information:** Keep records of the number of attendees at your event(s). NHH is often required to report on the demographics of our audience members to know we are reaching as broad an audience as possible. These categories include:
    - **Age:** Under 25, 25-34, 35-44, 55-64, 65+
