The Anne Zachos Fund - This fund was named after longtime board member and cultural leader, Anne Zachos, to serve as a source of unrestricted funds allowing New Hampshire Humanities to fund their highest priority, with the greatest flexibility. It funds excellence in staffing and program management, and unexpected programmatic opportunities. Fund principal is accessible by vote of the board.

Humanities to Go Endowment - Support community programs by making a special gift to this endowment, which includes Humanities to Go, *Perspectives* book clubs, and *Open Questions* community conversations. These programs provide professional programming and marketing support to some of NH's vital cultural organizations.

The Charles G. Bickford Endowment for Innovation - This endowment, created in honor of former Executive Director Charles G. Bickford, supports the development of new initiatives and the expansion of current projects that focus on diversity in New Hampshire, building and encouraging a civil society, and conversation in the humanities.

**If using your Donor Advised Fund (DAF) to fulfill a pledge, please note that IRS regulations require that pledges fulfilled via DAFs be non-binding expressions of intent. To ensure compliance, the DAF sponsor must not mention the pledge in any grant documentation, and may not receive any personal benefits in return.*
