

## Real or Fake? Making Our Way in Post-Fact America

Thank you for participating in *Ideas on Tap*, New Hampshire Humanities' series of "pint-sized conversations about big ideas."

~ Program ~

### What do you think?

- What is fake news? What does that mean?
- How can we evaluate the accuracy of the news?
- Has there always been fake news?
- What are some of the impacts of inaccurate or misleading reporting?
- What has been the impact so far of the COVID-19 pandemic on local news?
- What impact does fake news have on civic engagement?

### Thank you to our panelists:

(L-R) **Melanie Plenda**, Director, Granite State News Collaborative; **Jim Schachter**, President & CEO, NH Public Radio; and **Jay Schadler**, formerly of ABC News. Facilitator: **Dr. Tricia Peone**, New Hampshire Humanities Public Programs Manager
