## 2019 Humanities Annual Dinner

Thursday, October 10, 2019

Reception 5:00 pm / Dinner 6:30 pm • DoubleTree by Hilton, 700 Elm Street, Manchester

Each year, in every corner of the state, New Hampshire Humanities provides hundreds of opportunities for residents to engage with their neighbors in civil, thoughtful conversation about ideas that matter. That's why this year, rather than featuring a celebrity author or humanist, our theme of **"Tell Us Your Story"** turns our **spotlight on the very people whose lives have been impacted by our work.** By purchasing tickets to this year's celebration of the humanities, you are helping provide more than 500 free, public programs for the citizens of New Hampshire and at the same time enjoying an evening of networking and engaging with other civic-minded leaders. **Together we can transform lives and communities all across the Granite State!**
